## Beyond the Exhibition – More Client Face Time!

### Exhibitor-hosted Educational Programs

Education and research are vital to AAOMS's mission and its relationship with its fellows and members. Therefore, exhibitors agree not to conduct or sponsor seminars, lectures, clinics or other educational programs in the same geographic area as AAOMS programs. Because sites vary, the Association determines the geographic coverage areas on a meeting-by-meeting basis.

Exhibiting companies may host educational programs immediately prior to or immediately following the official dates of the AAOMS Dental Implant Conference.

Such programs may be held Wednesday, Dec. 2 to Sunday, Dec. 6. Written requests should be sent to the AAOMS exhibition manager as soon as possible to ensure space availability.

**Deadline: Oct. 9, 2026**

### Exhibitor Event Space Requests
